

If you do not provide your own ad, the EMDA staff can create one for you using these templates.

EMDA Ad Templates: *Company information, including web site and phone/fax numbers will be taken from the Showcase Registration information. Bullet points will be printed in 10pt Times New Roman. Depending on length of text, the half page ads have room for up to four bullet points and the full page ads have room for up to eight. If exhibitor submits more bullet points than will fit in the ad space, only those that fit in ad space will be included, beginning with point #1.*
